Afterschool Spanish Immersion Program

Session: Spring 2017 Sponsored by: Northfield Elementary School - PTA

NEW SESSION – NEW THEMATIC UNITS! Spanish made fun and easy!

Tic-Talk Spanish (TTS) is a total immersion program that will provide young children, the opportunity to hear, repeat and experience the Spanish language and culture through music and play. The methodology used in our class integrates visuals, actions and customized music. We use Total Physical Response (TPR), found through research to be the best method to learn a foreign language. The four areas in which students will naturally develop Spanish include: arts, dramatic play, fun games/activities and kinesthetic development.

Your children will experience the traditions and culture of one Latin American country through music, dance and crafts during one session of the program.
